DuraPlay™ Surfacing System Color Choices:

Standard Colors

Premium / Special Order Colors

DuraPlay Surfacing System™ is a poured in place, seamless rubber surface for playgrounds. Installed at different thicknesses for varying deck heights, this high-quality safety surface achieves consistent fall protection and performance exceeding CPSC guidelines for ASTM 1292. The DuraPlay™ Surfacing System is virtually maintenance-free and is available in a multitude of colors that can be combined and used to create any design imaginable!
